To the Rt. Rev. Wm. H. Hare, S.T.D.,
Bishop of South Dakota.

Dear Bishop, — The committee appointed by you to revise the Dakota Hymnal used in our mission congregations, have, by the good hand of our God upon us, brought their labors to a close so far as herewith to present to you the manuscript copy for your examination and approval, and, if approved, to receive your orders for its publication.

Yours in Christ and His Church,

JOSEPH W. COOK,
Chairman of the Committee.

Rev. and dear Brother, — I appreciate deeply the arduous labors of the committee charged with the revision of our Dakota Hymnal, and hail with joy the completion of their work. The Church will, I am sure, be prompt to provide funds for the publication of the manuscript; and I request that you will take steps towards putting it immediately in print.

THIS revision and enlargement of the book entitled "Hymns in Dakota, for use in the Missionary Jurisdiction of Niobrara," is one result of growth in numbers and enlightenment of the Church among the Sioux, or Dakota, Indians.

It was undertaken on account of the urgent demand for a larger, more churchly and accurate, hymnal, and by the authority of the Rt. Rev. WILLIAM H. HARE, S.T.D., bishop of the Jurisdiction.

Many of the hymns are original compositions by native Christians, and both these and the translations from English hymns were made at a time when it was thought unnecessary for the purposes of this work to pay much attention to the rules of prosody. As a consequence, they were, with but few exceptions, too faulty in this respect to continue to be strong and acceptable aids to serious devotion, in the higher culture with which our people are being increasingly blest.

In others, the sense was too obscure to be readily grasped by the mind; so that they were not well suited, either for the act of intelligent worship, or to inform the ignorant. The latter office, though of secondary importance in the sanctuary, perhaps, is of great value; for the place which these songs of salvation and praise, set to simple music, have found in the hearts of the Dakotas, has led to so general a use of them in their homes, in the camp, and on their journeys, that the hymn-book itself has become a missionary.

Although the committee have found it necessary to make a large number of alterations, they have endeavored to do as little violence as possible to the originals, and to avoid wounding the tender affection in which many of them are held by our fellow-members in Christ.

The result of our efforts, though by no means so complete and perfect as we would wish, is commended to the Church, in hopes it will be more satisfactory than the old book; and to our Father, who hath made of one blood all nations of men, with the prayer that He will bless it by His Holy Spirit to become the instrument in His hands for bringing many souls out of heathen darkness into the glorious light of the gospel of His Son, and for uniting us, with them, more firmly in the bonds of His love and the adoration of His Holy Name.
